THE WHITE HOUSE
WASHINGTON

44

Tuesday, October 29, 1968
6:00 a.m.

Mr. President:

I just called Gene and asked him to dicatate to Miss Nivens what he told me last night. Here it is.

I asked him to go back to Alexander Sachs and see how much further detail he can get on the people involved and how close, in fact, they are to Nixon.
